

# Arizona Canal at Scottsdale Project

- Scottsdale Park & Soleri Public Art Piece
- North & South Canal Bank Promenades
- Canal Park & Amphitheater
- Village Square Concept
- Canal Plaza

# Arizona Canal at Scottsdale Project

- Village Square Concept:
  - Creates plaza spaces north, south & over canal that can be utilized as public space/special event venues
  - Establishes critical north-south connection linking Fashion Square & Waterfront District to Loloma/Main Street District – via trolley, pedestrian enhancements
  - Provides green space in another quadrant of Downtown that is similar to Civic Center Mall
